

### **Become a Volunteer!**

Reel Asian® is always looking for committed, enthusiastic, energetic and friendly volunteers to help out. In the lead-up to and during the festival, we need people to help with special events, mailings, tickets, act as ushers, etc. Volunteering with Reel Asian is a great way to meet others who are interested in film and Asian culture and get a closer look into the production of a community-based film and video festival.

Reel Asian volunteers include a wide range of people from all walks of life, from students and fans of Asian culture and film, to professionals wanting to become involved in a community-based organization.
